

# Cera Conducts Architects Students meet - Ahmedabad

at Cera Style Studio's on World Architecture Day

World Architecture Day celebrates the changes architects have brought about to us. With this context, we decided to invite renowned architects to visit CERA Style Studios and spend time with students from architectural and design institutions. Enthusiasm of the architects participation could be seen from the way they interacted with the young talents.

**Architects Seminar 2021**  
On the occasion of World Architecture Day

**Ar. Rahul Shah**  
Ahmedabad  
11.00 am to 1.00 pm

Ar. Rahul Shah, practicing Architect & Interior Designer, shared his invaluable experience and expertise in Architecture and Interior design to inspire young minds of NID. Ar. Rahul Shah also threw light on his patented fire insulation product "Achuk" that has patent across 46 countries.

**Ar. Bimal Mistry**  
Ahmedabad  
2.00 pm to 4.00 pm

Ar. Bimal Mistry, Principal Architect of Bimal Mistry Architect & Associates, Ahmedabad, provides design consultancy for a variety of residential, commercial & institutional projects. Ar. Bimal Mistry started an open session with the students of Nirma University, Ahmedabad and INIFD, Gandhinagar. He discussed what could be solutions to the students where they had difficulties. It was indeed a very participative session, where the students opened up sharing their personal and study related difficulties.

## Cera Conducts Architects - Students meet - Hyderabad at Cera Style Studio's on World Architecture Day

### Architects Seminar 2021
